## Ms Chan Channel -- 19 Feb, 2020

Dear 5A students,

How's your study on my One Note page? I hope you will find my videos clear, manage the worksheets and enjoy the oldie I selected for you.

Today we will learn at the One Note page again. Please click the following link (P5 self learning materials) and choose the date 19 Feb 2020. You will find the learning materials there. I hope you will enjoy the main course and dessert of the day. Work hard, have fun and learn better English!

To have a better view and effect of the website, please open the link with a computer. You will have to print out some worksheets too. If you do not have a printer, please write the answers on a note book.

If you have any questions, feel free to send me an email. My email is <a href="mailto:clm@taipocrgps.edu.hk">clm@taipocrgps.edu.hk</a>.
