Can you cook the above dishes? Look at my example:

### The recipe of steamed eggs

#### Ingredients:

- a bowl of cold water
- 2 eggs
- a tablespoon of oil
- a teaspoon of salt
- some chopped chives

#### Steps:

1. First, crack two eggs into a bowl.
2. Then, add the cold water, oil and salt to the bowl.
3. Next, beat them together.
4. After that, steam the bowl of egg mixture in a pot for 15 minutes.
5. Finally, sprinkle some chopped chives before the dish of steamed eggs is served.

Now, it is your turn. Choose one of the dishes of eggs in the above table and write a recipe of it. You can of course create your own dishes of eggs.
