cheap fast expensive slow looking at the view waiting for a long time

To: Mum and Dad
Subject: Hong Kong

Dear Mum and Dad,

We're having a lovely time in Hong Kong and we've visited lots of places. There are many different ways to travel around Hong Kong. I like travelling by taxi. ① Although travelling by taxi is convenient, it's ② expensive. Judy enjoys travelling by tram. ③ Although travelling by tram is cheap, it's slow.

Yesterday Aunt Anna took us to Ocean Park. We went there by bus. ④ Although travelling by bus is comfortable, I don't like ⑤ waiting for a long time.

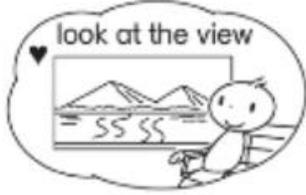

We will go to Lantau Island tomorrow. Aunt Anna says we can go by MTR or ferry. ⑥ Although travelling by MTR is fast, I don't like standing up all the time. I want to go by ferry. ⑦ Although travelling by ferry is slow, I enjoy ⑧ looking at the view.

I miss you both!

(Accept any reasonable answers.)

Love,
Ken

D Class 5B did a survey about their favourite type of transport. Helen and Bob are doing a presentation. Finish what Helen says.

	Favourite type of transport	👍	👎
		cheap	hot
		the view is good	slow
		fast, cheap	crowded in the morning
		can always get a seat	expensive

- 1 Seven of us like travelling by tram because it's cheap.
Although travelling by tram is cheap, it's hot.
- 2 Five people in the class enjoy looking at the view so they like travelling by ferry. Although the view is good, travelling by ferry is slow.

Now finish what Bob says. Follow the example above. (Accept any reasonable answers.)

- 3 Nine of us like travelling by bus because it's fast and cheap.
Although travelling by bus is fast and cheap, it's crowded in the morning.
- 4 Four people in the class hate standing up for a long time so
they like travelling by taxi. Although they can always get a seat,
travelling by taxi is expensive.
