銘恩♥因♥訊

各位親愛的銘恩家長及同學：

2023-24年度新學年已開始了兩個月，這個學年本來是疫情後真真正正復常的一個新學年。可是9月1日開學日卻迎來了颱風要停課，之後又遇上五百年一遇的大暴雨。今年的9月也是不一樣的9月。9月的世紀大暴雨把禮堂的地板浸壞了，禮堂的地板嚴重受損，完全不能使用。學校立即申請緊急維修，教育局委派的工程公司亦立即處理，於10月初已完成更換整個禮堂地板工程。在禮堂舉行的周會、活動及訓練也逐漸回復正常。

校園電視台	2022-23 年度成功申請到優質教育基金撥款建設校園電視台及學生培訓課程。我們會培訓學生成為小記者、主播和攝製隊等。校園電視台的工程曾有延誤，終於本年度開始運作，將會有不少精彩的製作陸續出現。

現今的香港，不少學校都在為本地學生不足引致減班殺校的危機而苦惱、擔憂及徬徨。銘恩由開校就知道何時結束，我們是帶著時代的使命開立，一早就已預備如何運用這9年的有限時光，在銘恩學生的身上留下無限的愛及造就。人往往因為有限，所以懂得珍惜及把握當下；亦因為有限期而有計劃、有籌謀。我常說，在銘恩工作是很特別的，一方面我們要為學生的需要及成長，不斷開展新的課程和計劃，但同時我們又要為減班、為結束做好規劃，確保到最後一刻我們仍是提供最好的教育給我們愛錫的學生，絕不辜負信任我們的學生，與我們多年同行的家長。銘恩的設立是很奇妙的恩典，學校一直經歷上帝的帶領、保護及供應，上帝按我們的需要供應我們很好的老師、家長及學生。願我們一起努力，讓學生有美好的成長，有光明的前途，銘恩在大埔這個社區留下佳美的足跡，學生有精彩的2023/24校園生活！

學與教組

中秋活動

一年又中秋了！本年度的中秋節，我們除了在週會時段介紹與中秋節相關的知識外，同學們還製作了各具特色的燈籠。辛苦一眾家長義工為我們綁燈謎及掛燈籠！

23-24年度
9月週會--中秋

一說到中秋節，大家會想到甚麼？

看！同學們在午息時已迫不及待地走到有蓋操場猜燈謎。為了「競逐」到自己心儀的燈籠，大家都絞盡腦汁，又請教校長及老師，同學們亦發揮互相幫助的精神，幫助同學猜燈謎。活動後，同學都提着自己的收穫回家。

同學們正認真地猜燈謎

感謝各位家長義工連日來幫忙掛燈謎和燈籠

戶外學習日

近月天氣可謂風雨交加，颶風黑雨一浪接一浪。老師和學生們也為惡劣天氣對戶外學習日的影響感到緊張萬分，擔心戶外學習日未能如期舉行。

但正所謂「陽光總在風雨後，烏雲上總有晴空」，感恩10月11日戶外學習日當天晴空萬里，陽光普照。全體師生能齊齊到保良局賽馬會大棠度假村，在晴朗的天氣下親近大自然，享受了各式各樣的戶外活動。

是次戶外學習日的目標是希望學生能學習規劃行程及提升自理能力。各個班別都按照早前與班主任討論的行程進行各式各樣的班級活動。不少學生亦表示花了不少心思準備午餐餐盒，與老師和同學一起分享。

看到大家離開度假村時有說有笑、樂也融融的畫面，相信當天的快樂回憶已深深地烙印在師生們的心中。讓我們一起期待來年的戶外學習日，師生們能享受更多美好的相處時光。

Mr. Chan

Hello, dear students!

I'm your English teacher, Mr. Chan, and today I want to tell you about something very special to me - being a pet specialist. You see, besides teaching English, I have a little friend at home. His name is Total, and he's a cute and smart pet rabbit.

Total has the softest fur you can imagine, and he loves to hop around and play. Playing with him is so much fun, and it's one of my favorite things to do. He's like a furry little friend who's always there to make me smile.

Why am I telling you about Total? Well, because having a pet is a bit like being a pet specialist. It's a big responsibility and requires patience and care. You see, even though we may only have our pets with us for a few years, for them, it's their whole life.

Pets, like Total, depend on us for everything. They need us to feed them, keep them clean, and give them lots of love. Just like we have families and friends who take care of us, we become like family to our pets. It's important to be patient and caring because they rely on us to make their lives happy and healthy.

So, if you ever think about getting a pet, remember that it's not just a fun and cute addition to your life. It's a big responsibility, and you need to take care of them every day, just like they take care of making you smile.

Being a pet specialist is a wonderful experience, and it's all about giving love, attention, and care to our furry, feathered, or scaly friends. And if you ever come to visit me, you can meet Total - the best pet rabbit in the world!

Miss Fung

Animals are not just a hobby for me, but an indispensable part of my life. Hello everyone! I am Miss Fung, an English teacher. Ever since I was a child, I have had a strong interest in animals. I have had many different pets at home, including rabbits, dogs, cats, hamsters, parrots, koi fish, goldfish, turtles, and even hens! I enjoy observing their behaviors, understanding their habits, and developing a deep bond with them while taking care of them. I believe many of you have also asked your families for pets. However, having a pet is a significant responsibility and a lifelong commitment! Before getting a pet, you need to understand their needs, behavioral characteristics, and lifespan to ensure that your family environment is suitable. Additionally, we must set aside time to take care of their daily needs, such as feeding them on time, providing water, regular cleaning, and spending time playing with them. Pets, like humans, can also get sick, so we need to allocate enough money to take them to the veterinarian for treatment. Finally, I urge all students not to abandon their pets and to be responsible pet owners!

Miss Chong

Hello everyone, I am Miss Chong, who teaches English and visual arts this year. Today, I want to introduce a very special friend to all of you - my pet. Since I was young, I have had a deep love for small animals. However, when I was in primary school, my mother did not allow me to keep a pet. Until the year I entered primary six, a miracle happened.

One day, my mother suddenly told me that if I could get into my dream secondary school, I could have a cat. This news filled me with excitement, so from that moment on, I started to study even harder. I spent a lot of time on my schoolwork, eager to achieve my goal and fulfill this little dream.

Finally, when the exam results were announced, I got accepted into my dream secondary school. At that moment, I was excited and grateful because I knew I could finally have a pet of my own.

Not long after that, when I returned home from school, I saw a kitten in front of me. It looked at me gently, as if welcoming me. I was moved by the presence of this little life, and tears welled up in my eyes.

From that day on, this cat became my best friend and companion. It was like a precious treasure to me. It accompanied me for twelve years. We spent many happy times together. Every day when I come back from school, it would be waiting for me at the door. Its companionship made me feel incredibly warm and comforted. We played together, explored the world together, and spent countless nights together.

However, time flew by, and it has already left me. Despite being very sad, I will never forget the wonderful time I spent with it. It taught me love and responsibility and gave me infinite love and happiness.

Pets are not just members of a family; they are also our most sincere friends in life. They selflessly give us love and support and never abandon us. I believe that even though it is no longer by my side, the love for my pet will always exist in my heart.

As a teacher, I hope to convey my love and care for animals to all of you. I believe that animals can bring endless joy and educational value. In my classroom, I strive to create a friendly and caring environment, encouraging you all to pay attention to and respect animals, and cultivate empathy and responsible attitudes towards them.

In addition to my teaching work, I continue to take care of my pet. I now have a gray little cat named "Ah Fei" because it's a bit chubby. It is my loyal companion, bringing me laughter and warmth every day. I believe that through my time with "Ah Fei," I can better understand the needs and emotions of animals and apply these experiences to my teaching and life.
